

Grundtvig Partnership project

sms 4 EU

**study, meet, share for equal
uniqueness**

Aims

to motivate and involve disadvantaged adults into education and active citizenship

Target groups

adult people with various kinds of disadvantages:

- people with lower level of education
- people from rural areas
- unemployed people
- people endangered by the social exclusion
- women – both middle-aged and senior
- teachers and educators of adults

Which activities will be focused on?

- a) innovative methods of adult education
- b) the self-confidence and self-esteem of disadvantaged groups of people
- c) the motivation of such people to learn and to be active
- d) ways of reaching the disadvantaged, non-academic by suitable innovative marketing

Workshops with target groups

1. Women
2. Gypsies
3. Migrants
4. young unemployed people and young mothers
5. unemployed people
6. socially/economically disadvantaged learners

Activities

- To involve earners – mobilities
- To offer various methods
- To collect best practices
- To communicate each other
- To carryout common activities during meetings

Outcomes

I appreciate the
discussion
and your
suggestions.

THANK YOU FOR YOUR ATTENTION.
